

## A Gift for San Diego

In this book, you'll find out how 83 San Diego students learned to charm the world with the beauty of their language.

You also find out how Border Voices director Jack Webb; Michael Klam (famed teacher of poetry karaoke), and publisher Bill Harding have created a new partnership to share that joy with thousands of students young and old.

So if you want to have some fun, start reading this book. It is a book woven "out of love's loose ends; / For myself and for my friends."
